Dear Joshua and Marguerite:

Thank you for the generous campaign contribution. During weekends and Congressional recesses, I will be traveling to each of California's 58 counties to campaign for the U.S. Senate, while at the same time trying to make my last two years as a Congressman the most productive yet.

Our greatest needs at the moment are additional names and addresses of individuals throughout California who might be sympathetic to my candidacy, and financial support from more friends like you. Establishing credibility requires us to raise \$1.5 million by December '81 -- not a difficult task if everyone helps as you have.

I have enclosed a couple of contribution envelopes in the hope that you can place them with friends who might help with either names or dollars. Again, my thanks for your friendship and support.

Sincerely,

A handwritten signature in black ink, appearing to be "P. McCloskey, Jr." with a stylized flourish.
